Starting April 1st, 2025, your airport lounge access benefit will be updated. To learn more about our revised guidelines visit the Mastercard Travel Pass app!

How does it work?

- Start by making a transaction of at least USD1* to enjoy airport lounge access with your **Titanium, Platinum, World, or World Elite Mastercard credit** card.
- Each transaction will give you 3 months of complimentary access to the airport lounge or dining offers from the day of the last transacation.
- If you do not make an international transaction with a minimum of USD 1, your airport lounge access will be limited**. However, after making an international transaction, your access will be reinstated within 72 hours.
- Starting April 1st, 2025, re-register on the Mastercard Travel Pass app by entering your **Mastercard credit card** number to validate your airport lounge and dining access.
- Starting August 1st', 2025, the complimentary access will be capped according to card type: Titanium: 2 visits per year Platinum: 8 visits per year.
- World Elite cardholders will still maintain unlimited access for themselves and an accompanying guest upon meeting the minimum spending requirement.
